

Dear

Thank you very much for your recent enquiry regarding Scuba Diving.

Whether you are looking for a new and exciting hobby or simply want to add a new dimension to your holidays, Scuba Diving is one of the fastest growing "non competitive" sports around. Open to all abilities and ages, Scuba Diving can be as exciting or relaxing as you wish.

Scuba Diving is not difficult. Over the years we have taught many hundreds of people, from junior level (8 years old and over) right through to professional and instructor qualifications. At the Chesterfield Adventure Centre we offer courses to suit everyone.

We hope you will find this pack useful, but if you require any further information please don't hesitate to contact us either by email, telephone or pop along to the Dive Centre.

Can't make the dates?

No worries, we can organise courses specifically tailored to individual requirements or consider our "fast track" if you're in a rush. Just ask.

Remember, everything is included

Equipment hire, home study materials, tuition, pool fees and certification where applicable. All we require is a deposit to secure your place on any of the courses. You can then collect the appropriate comprehensive study and materials pack so that you will be able to start your course straight away in the comfort of your own home.

The full balance is due when you start the course.

We have good fun on our courses; you will meet like-minded people and have an entertaining and enjoyable time.

Best regards,

All at divenut Scuba
